<b>Description of walk:</b>	<p>Easy C walk with breakfast stop to start new year.</p> <p>Walk to town square then up through Cruachan woods to old Templebreedy church, down to Church Bay beach. Next it's costal path to Weaver's Point and on to Graball Bay beach, short climb to Fort Camden then past boatyards back to square.</p> <p>Very scenic walk with views over Cork Harbour, Spike Island, Cobh, Roache's point. Muddy in places so boots advised.</p>
